

DECISION ON APPLICANT REQUEST FOR RECONSIDERATION

Under section 60851 of title 2 of the California Code of Regulations, if the Bureau of State Audits or the Applicant Review Panel decides to exclude or remove an applicant from the pool of applicants being considered for selection to the Citizens Redistricting Commission, the applicant may, no later than 10 days after the date of the notification of exclusion or removal, request reconsideration of the decision due to gross error or other compelling circumstances if the applicant was excluded or removed as a consequence of:

- Having a conflict of interest;
- Failing to satisfy the eligibility requirements for serving on the commission; or
- Failing to comply with the procedural requirements of the application process.

Name of the Applicant/Requestor: Barbara Clancy.

Date of the notice of exclusion or removal: February 16, 2010.

Date the request for reconsideration was received: February 17, 2010.

Description of the alleged error or other compelling circumstances that may justify reconsideration of the exclusion or removal of the applicant from the applicant pool: Applicant made an error on the initial application, and therefore submitted a second application using a different e-mail address in order to correct the error. She did this without realizing that submitting multiple applications is prohibited by the bureau's regulations.

Request for reconsideration is: Granted.

Reason for granting or denying the request: Applicant violated the procedural requirements of the application process unwittingly, and granting reconsideration causes no harm to the process.

Applicant's current status: Applicant is included in the initial applicant pool, and only her second application will be considered.

Name and title of person making decision: Steven Benito Russo, Senior Staff Counsel.

Date of decision: February 25, 2010.
